

We are delighted to be offering to the market this rarely available NEW BUILD detached bungalow with DOUBLE GARAGE. Built by the renowned local development company Clearwater Land & New Homes Ltd the attention to detail in the overall build quality and finish of the property is second to none and their reputation as a quality build really shines through. This is an exclusive development of just 5 properties. The location of Lower Horsebridge is highly sought after, being on the edge of many of the Sussex villages we all love, Hellingly, Lower Dicker, all offering local amenities, with the market town of Hailsham being within easy reach. The Cuckoo Trail is right on the doorstep and allows for walkers and cyclists to travel North to Heathfield or South to Eastbourne with safety from roadway traffic. Together with the security of a 10 Year New Home BuildZone Warranty, the overall energy efficiency of the home is another attraction for any potential buyer, rating at B, and the superb finish with quality floorings and fixtures throughout will further impress. The property has been thoughtfully designed to provide a spacious and modern style of living. The open plan living, dining and kitchen is now ever more popular with the sociable aspect of this design being so sought after. The kitchen is superbly equipped with fully integrated appliances and finished with modern fittings, plus there is the benefit of a separate utility room which also comes with the built in appliances. The two bedrooms are again spacious, with luxury en-suite facilities to one bedroom and an adjacent luxury bathroom for bedroom two. The double garage has been fitted with an electric up and over door, and power and light and internal access from the utility room. The gardens for the bungalow have been landscaped to provide a laid lawn, a block paved patio area, plus close boarded fencing surrounding the rear and front of the property. Outside lighting and power in the rear garden. The driveway to the front of the property again tastefully block paved and giving opportunity for ample off road parking. Nearby Hailsham is a busy market town which is pleasantly situated just off the main A22, 7 miles from the East Sussex coast, set amidst the attractive open countryside including the South Downs. There are a variety of local and national shops, together with pubs, restaurants and leisure facilities in the town centre with further extensive shopping and entertainment outlets in the surrounding towns of Eastbourne, Hastings, Lewes and Tunbridge Wells. Regular train services are available in nearby town of Polegate, connecting to Brighton and Eastbourne for onward journeys to London Gatwick Airport and Ashford, Kent. It is rare to find a home and development finished to such a high standard. Throw out all preconceived ideas about the quality of new homes, the local developers of this exclusive development have spent time and money on providing a home of exceptional quality for you to enjoy for many years to come and viewing is highly recommended. Please note some of the images have been virtually furnished.

We have prepared these property particulars & floor plans as a general guide. All measurements are approximate and into bays, alcoves and occasional window spaces where appropriate. Room sizes cannot be relied upon for carpets, flooring and furnishings. We have tried to ensure that these particulars are accurate but, to a large extent, we have to rely on what the vendor tells us about the property. You may need to carry out more investigations in the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission, etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains, etc) will be included in the sale.
